

AM6303**8-Inch Full-Range Cinema Subwoofer****Description**

The Prince Series 5.1-Channel Digital Audio Home Theater & Karaoke System delivers an ultra-immersive experience, allowing users to recreate the vibrant atmosphere of a KTV at home. Featuring a main unit, speakers, subwoofer, and microphone, this system enhances karaoke enjoyment with flexible audio adjustments that let you switch between different sound styles. It redefines home entertainment by bringing you the ultimate KTV experience right into your living space.

The 8-Inch Full-Range Cinema Subwoofer brings powerful low-frequency energy to home theaters and karaoke setups, enriching every scene and song with impactful bass. Its refined, modern cabinet design blends seamlessly into any space, while the optimized acoustic structure ensures deep, well-defined sound. Compact yet robust, it works in harmony with the main speakers to create a truly immersive audio experience.

Features

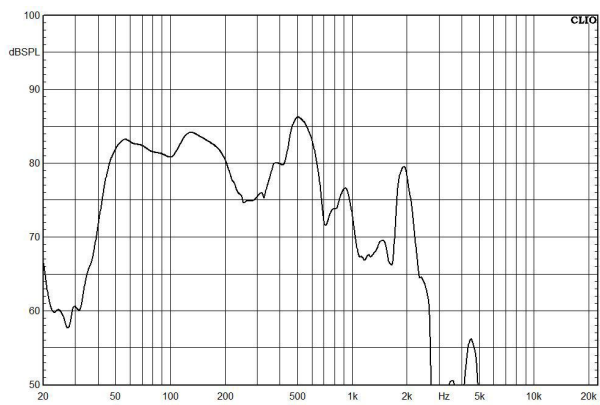

- A passive subwoofer specifically designed for movie watching and karaoke, seamlessly connecting with the speaker's low-frequency range.
- A conical aviation-grade cabinet with luxury car-style baked enamel finish, exuding modern sophistication.
- A 360° inverted submersion design enhances bass depth and resonance.
- Triangular rubber reinforcement ensures secure installation.
